## Welcome

AREA 2071 is home to innovators, disruptors, and change makers. Join a global community of the world's greatest minds and begin co-creating the future. Showcase your expertise your organisation, and the projects you're working on. Get access to mentorship, support, and a suite of benefits exclusive to the AREA 2071 community. AREA 2071 is a project managed by the Dubai Future Foundation in alignment with the vision of His Highness Sheikh Mohammed bin Rashid Al Maktoum, Vice President and Prime Minister of the UAE and Ruler of Dubai, and the UAE Centennial Plan.
