FUTURE ID

Table of contents

Welcome

FUTURE ID is a Single Sign-On (SSO) and Profile Management Service owned and operated by the Dubai Future Foundation. It allows startups, entrepreneurs, academics, researchers, scientists, and the general public to securely and conveniently access a variety of our services.

With a FUTURE ID, you can conveniently access the following platforms:

- Dubai Future Programs
- AREA 2071
- UAE Regulations Lab

(More platforms will be added to this list over time.)

Frequently Asked Questions

- **Can anyone create a FUTURE ID?**

  Yes, anyone can create a FUTURE ID and access any of our platforms.

- **How is FUTURE ID different from other Single Sign-On (SSO) services?**
  FUTURE ID gives you access to platforms owned and operated by Dubai Future Foundation. Creating a free account keeps you connected to our global ecosystem of entrepreneurs, startups, academics, researchers, and scientists, and gives you access to many of our programs such as AREA 2071 and Dubai Future Accelerators.
